Notes :

- 1 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 13th August, 2021 and have undergone 'Limited Review' by the Statutory Auditors of the Company.
- 2 The financial results have been prepared in accordance with the Companies (Indian Accounting Standard) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- 3 Figures for the quarter ended 31 March 2021 are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the third quarter ended December 31, 2020.
- 4 The Company have an overdue statutory dues as on 30th June, 2021 in respect of Sales Tax / Service Tax / Goods and Service Tax of Rs. 213.41 lacs (including interest oi Rs. 107.84 lacs), Provident Fund / ESIC / Professional Tax of Rs. 179.13 lacs (including interest of Rs. 74.80 lacs) and Tax Deducted at Source of Rs. 609.49 lacs (including interest of Rs. 244.81 lacs). Though the Company has provided for interest up to 30th June, 2021 in respect of these liabilities, any other consequential impacts as per the respective laws are not ascertained at present. **The Auditor has given modified opinion in this regard.**
- 5 Since the Company is having stress in working capital finance and major funds are utilised in intangible assets under development, it has not able to pay Rs. 660.81 lacs (net of TDS) in respect of rent for the office premises for the period up to 31st March, 2019, which are owned by a promoter (Mr. Ziaulla Sheriff) jointly with his partner in other business. Considering the abovementioned facts and current Covid-19 pandemic situation, the management is hoping for waive off of the rent for the year and also requested to reduce the outstanding for earlier years to the extent possible. Accordingly, the management has reversed a rent provided up to 31st December, 2019 amounting to Rs. 85.39 lacs during the quarter ended 31st March, 2020 and have not provided rent of Rs. 28.46 lacs for the quarter ended 31st March, 2020, 30th June, 2020, 30th September, 2020, 31st Decemeber,2020, 31st March, 2021 and 30th June, 2021 (Rs. 256.15 lacs as on 30th June, 2021). **The Auditor has given modified opinion in this regard.**
- 6 The Company is developing a Software related to Business Intelligence and Data Quality Solutions since long time of which carrying value as at 30th June, 2021 is Rs. 2442.56 lacs as Intangible Assets under Development. The management beleives that the expected future economic benefits that are attributable to the asset will flow to the Company. **The Auditor has given modified opinion in this regard.**
- 7 The company has incurred cash losses and its net worth is fully eroded. Further the Company's Current liabilities exceeds its current assets as at the date of the Balance sheet. The Management is pursuing the prospective investors to meet its working capital requirements and is of the opinion that the operations of the Company will make profits in future. Accordingly, the financial statements have been prepared on a going concern basis.
- 8 The outbreak of Corona virus (COVID-19) pandemic globally and in India is causing significant disturbance. The Company has taken into account the possible impact of Covid-19 in preparation of the financial statements, including its assessment of recoverable value of its assets based on internal and external information up to the date of approval of these financial statements and current indicators of future economic conditions. Considering the financial year was affected by the COVID Pandemic, where Educational Institutions were closed for most of the time, in the target segment, purchases have been deferred to the coming semesters, resulting in loss of business of more than 90 %. Most of the products of Starcom are only used in the labs for hands on implementations of applications & experiments, which were not possible as labs were closed all through the year as only online theoretical classes happened. Other Revenue line of services in defence establishment were also badly affected. Not only the defence labs operated with minimum staff, globally service chains were closed. Due to which projects were not completed & revenue generation has been deferred. Many Research & Development establishments were downsized with a spending crunch & unfavourable sentiments, resulted in loss of revenue. The Management is hopefully for bounce back once the target segment opens up, by leveraging all the open opportunities & converting them into revenue. According to the Management, the Company's negative growth for this period, should be treated in the light of global pandemic affecting business & not anything else.
- 9 Though the company has incurred losses during the current quarter and previous year, the Company has recognised deferred tax asset amounting to Rs. 75.65 lacs as at 30th June, 2021 as management beleives that the Company will generate sufficient profits in near future to realise the same. **The Auditor has given modified opinion in this regard.**
- 10 Figures of the previous period have been reclassified/ regrouped wherever necessary.
